

**GAY GADDIS | ARTIST. ENTREPRENEUR. AUTHOR. TRAILBLAZER.**

My art is the intersection of my inner creative spirit and the vast Texas Hill Country skies. Survival, destruction and renewal are part of everyday life in the Hill Country. They're part of everyday life as an artist and entrepreneur.

I have had my share of each during my career as the founder of T3, the largest female-owned advertising agency in the U.S., that grew into national prominence under my leadership for 30+ years. Throughout it all, I never abandoned my passion for painting. In fact, I credit my business acumen to training as an artist and draw most of my inspiration from another passion of mine: our family's Texas Longhorn ranch which serves as my studio and a retreat for creative thinking on the Double Heart Ranch.

An advocate for the arts, I am a proud board member of the Texas Cultural Trust, a member of Texas Women for the Arts and on the College of Fine Arts Advisory Council at The University of Texas, where I earned a Bachelor of Fine Arts degree in Studio Art.

"A WOMAN WHO HAS LONG BEEN AHEAD OF HER TIME. ALL TWENTY PIECES EXHIBITED DURING HER FIRST SHOW AT NEW YORK CITY'S CURATOR GALLERY LAST MAY SOLD OUT."

—TEXAS MONTHLY MAGAZINE

"GAY GADDIS IS A RENAISSANCE WOMAN AND I AM BLOWN AWAY AT THE DIVERSE ACCOLADES AND ACCOMPLISHMENTS. HER MAGIC IS LIKE NO OTHER."

—DENISE SIRKOT, PRODUCER OF THE SIMPSONS TV SHOW
